Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. ¹ University of Akron does not currently have an approved course match for TMM011 Quantitative Reasoning. However, transfer credit will be awarded for the Ohio Transfer 36 Math, Statistics, and Logic area. ² "To be submitted" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working towards this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree. ³ University of Akron does not offer British Literature II - Late period course.
